Minutes: Glenda Wiles

Commissioner Greg Chilcott and Commissioner Alan Thompson were in Sparks, Nevada for a National Forested Counties and School Coalition meeting.

Commissioner Lund received two bids for the statement and qualifications for Airport Consulting Firms for engineering services at the Airport for a 5-year period. Two statements were received: Morrison Maierle, INC. and Robert Peccia & Associates. The two statements and qualifications were given to the Airport Manager for review and recommendation.

The remainder of the day was spent in office management.
